The Sangh's income is mainly derived from the interests from the various earmarked funds; Over the past few years, the interest rates have been falling and this is causing the reduction of the Sangh's income. **Agenda No. 9: To brief the Status of the proposal of redevelopment of Sangh's Parel building:**

1. President, Shri Anand A Naik informed the members that after the easing of the Covid 19 pandemic situation the redevelopment project is now moving ahead. President informed that the redevelopment project is been guided by a Core committee (Advisory Committee for re-development) of 6 members – Shri Prabhakar D Borkar (Kalyan), Vaman S Patkar (Goregaon), Vasant R Nayak (Andheri), Ramchandra S. Nayak (Goregaon), Ramesh G Nayak (Kandivli) & Anand A Naik (Mulund). This team focuses on the issues pertaining to the Redevelopment like interacting with the builder and the legal advisors.
2. President thanked all the members of the “Advisory Committee” for their continuous efforts towards redevelopment project work and further appealed to them to continue their good work till the completion of the project.
3. The President appealed to the gathering that if anyone who has any expertise on the re-development is most welcome to join the come forward and contribute to the re-development efforts
4. President then requested the Vice-President Shri Ramchandra S Nayak (Goregoan) to inform the latest update of the redevelopment project to the AGM. The Vice-President Shri Ramchandra S Nayak (Goregaon) informed the following points:
  - a. In July 2017, the Charity Commissioner (CC) had issued Order giving approval to the Sangh for re-development of the building; with a set of conditions including the time limit. The Sangh then began the work of convincing the tenants to agree to the re-development. However, the tenants were very reluctant to agree and during these circumstances, the Covid 19 pandemic also stuck. During the lockdown, all activities of the re0development were in a state of suspension. Subsequently, the Sangh had made two appeals to the Charity Commissioner.
    - i. Appeal 1 for the extension of the CC Order for re-development.
    - ii. Appeal 2 for corrections of typographical errors in the Order.

- b. In Jan 2022, in response to Appeal 1, the CC allowed the extension for re-development for 6 months
  - c. In Jan 2022, in response to Appeal 2, the CC rejected the Sangh's appeal.
  - d. The Sangh is now in consultation with legal advisors on the next step for the Appeal 2. There is a view that the Sangh must make a WRIT PETITION to the High Court to obtain a clarified Order. However, the 6-member Advisory Committee for re-development is yet to decide on this option.
5. Mr. M. P. Naik (Mulund) spoke of the risk of taking up the WRIT Petition as any adverse outcome from the legal proceedings could cause a long delay in the signing of the project. He expressed opinion that going for WRIT PETITION may not be the right option.
  6. Shri P. D. Borkar spoke of the details of the two Appeals and the need for WRIT PETITION was to ensure that there would not be any legal-statutory issue at the end of the re-development. He explained the possibilities that would emerge when the WRIT PETITION is filed in the High Court. He also added that the next steps, including going for WRIT PETITION or not would be taken with proper legal opinion from legal experts. Shri Borkar thanked Mr M.P. Naik for his suggestion and assured that the Core committee would surly consider it with due respect.

As there were no further clarifications or explanation sought by the members regarding the presentation of "Status of the Redevelopment" explained herein above, the Status Report presented by the president was accepted for taking in record.

**Agenda No. 10: Consideration of Letters if any.**

The Jt. Hon. Secretary informed that there were no letters.

**Agenda No. 11 & Agenda No. 12: Any other matter with the permission of the chair & members' speech:**

**Shri Ravindra G Nayak (Dombivli):** Shri Ravindra thanked the Sangh for holding the AGM in its premises for the past two years. He expressed that this is a sure step in bringing together the samsthas of the community together. He welcomed the Sangh to hold its activities in the Mandal's Hall in future also. Shri Ravindra spoke about the Medical Camp that the Mandal is planning to have on the next Sunday. He called upon the members to spread the news of this camp so that maximum number of people canters who would be available for medical guidance at no cost to them. This camp is open to all & members could also recommend this camp to the other members of their own residential housing society and other such groups.

**Shri M. P. Naik (Mulund):** Shri M. P. Naik again extended warm invitation to the Sangh to hold their programs in future in the Mandal's hall. He said that this is a wonderful way to begin the alignment of the various samsthas. He also touched upon the subject of re-development and advised that going to the higher court should be done only after a very good deal of thinking since such a step could put the whole project at risk of indefinite delay. He opined that the Sangh must seek legal advice from experts in the field before proceeding with any legal action since such legal actions cause huge delay and also are very costly.

**Shri Ramchandra S Nayak (Goregaon):** Shri Ramchandra S Nayak (Goregoan) informed the gathering of the schedule of the AGM of the Shri Vignaharta Mahaganapati Mandal and also about two events that were to be held at the same venue and date.

**Agenda No. 13: President Speech:**

The President thanked all the office bearers, committee members of the Shree Varad Siddhi Vinayak Seva Mandal allowing the Sangh to hold its AGM free of cost. He also thanked the Shri Durga Parmeshwari Credit Society for sponsoring the lunch to all the attendees of the AGM.

The President expressed his sense of relief that the Covid 19 pandemic situation seems to have now faded away and normalcy is now coming back into our lives. The Ssngh activities had largely been suspended since the past two years and now there is strong hope that the Sangh activities especially the social gatherings would start once again. In the regard, the Sangh proposes to have the Samoohika Upanayana on the 2<sup>nd</sup> May. President requested members that they or their acquaintances could connect with any of the Committee members to enroll for the Upananaya

The President further touched upon the financial situation of the Sangh. In the past two years, donations had dried up. The finances of the Sangh are now very limited – the income is only from the corpus and the earmarked funds. The interest rates have been reducing & currently are in the range of 5.3% as a result of which the annual income has also declined over the past many years. The Sangh would have to make plans to overcome this situation. In the current situation, the financial constraints prevent the Sangh from taking up more welfare activities for the community. Even in this situation, the Sangh did help the families of those who were extremely badly impacted during the Covid 19 pandemic. Financial assistance was given to 105 families who had lost their means of livelihood during the pandemic situation.

The President spoke about the efforts that the Committee members are doing with regards to the various compliances in the areas of Income tax, Charitable trust act, etc These efforts are being duplicated by each of the samsthas of the community. Hence a coming together of the samsthas should now be considered more actively. He said that he supports the idea of merger of any other charitable trusts in the best interest of the Sangh and said that Sangh always supported the unity amongst the samaj members and further said that Sangh has dropped some of the activities as they are being conducted by other associations. He suggested that all the Samsthas in Maharashtra should come together and work out common programs to save resources. He called upon the youths of the samaj to come forward and start taking more interest in the activities of the associations of the samaj.

The President praised the Mahila Mandal who did some wonderful work during the pandemic and said that even during the pandemic and lock-down situations, they have conducted all their programs physically and or virtually. He expressed hope that the Yuva Vrinda too will be back in full swing once the normalcy returns.

The Annual General Meeting was concluded with vote of thanks (Agenda No. 14) by the Jt. Hon. Secretary followed by national anthem and lunch (Agenda No 15) thereafter.

## **ANNUAL REPORT (2021-2022)**

**On behalf of the Executive Committee of the Sangh, we take pleasure to placing before the AGM the Annual Report of the Sangh for the year 2021-22.**

### **Meetings:**

During the year under review, 13 meetings of the Executive committee were held. Since this was pandemic period, 9 meetings were held on Virtual (ZOOM) platform and the rest were held as physical meetings at the Parel office of the Sangh.

### **Life Memberships:**

No new members were added during the period.

### **COVID 19 Crisis & Relief measures:**

The last few months of the annual year 2021-22 has been a period of recovery from the aftermath of the Covid 19 crises. The terrible hardships that the people faced kept reducing and in the following months we have seen the return of normalcy. This has brought relief to the entire world in terms of financial well-being. There has been a recovery in economic activity and people across the world have been able to return to the earlier livelihood.

However, before this happened, the last three months of 2019-20 & most of the year 2020-21 was a disaster in terms of health crisis and the lockdown related hardships. Not only economic activity was badly affected but daily life was also totally disrupted. The Covid 19 virus affected human health immensely causing many hospitalization & also casualties. As a community, we too went through the suffering with many of our members becoming sick and needing hospitalization. It was extremely unfortunate that many of our Samaj members lost their lives to this disease.

During the crisis, many of our samaj members lost their means of income totally. The Sangh deliberated on how to help the most impacted families. Since there was lockdown imposed, many of the support measures were less feasible. As a measure of financial relief, the Sangh distributed financial help of Rs 5.07 Lakhs to 103 families during the period July-August'21.

### **Update on the redevelopment of the Sangh Building (Saraswat Sadan) at Parel.**

In the last AGM, the Vice-President (on behalf of the Executive Committee) had updated the AGM on the developments and the immediate plans of the Sangh to contest the Order of the Charity Commissioner (CC). Some of the members of the AGM had cautioned that such a legal suit would be very risky to take and cost a lot of time and money. The Core Committee (for redevelopment) deliberated on this advice and then sought legal opinion of two different lawyers on the possible steps that the Sangh must take in response to the CC Order. The Core Committee team had meetings with both these lawyers and took their written opinion.

Both the lawyers opined that the Sangh need not contest the Order by the CC. The Orders would not cause issues in future and hence the Sangh decided to go ahead with the signing of the Development Agreement.

We are happy to inform that the Development Agreement has been signed & registered on the 22<sup>nd</sup> of June 22.

Subsequently, in the month of August'22, the inspection by the MHADA authorities has also been completed. The video recording of the statements by the tenants and the checking of their documents has been completed. The MHADA NOC is expected shortly. ### Programs Organized during the year (2021- 22):

As mentioned in the earlier part of this report, the year 2021-22 was marked with the Covid 19 crisis. The SOPs laid down by the Government put numerous restrictions on movement of the people as well as social gatherings. In adherence to these SOPs. the Sangh too had to avoid all programs that would have been organized in a normal year. The Mahila Mandal did a wonderful job of holding some of their annual programs – at the residence of the members with the others joining on the virtual platform. The report of the Mahila Mandal is included in the later part of this Annual Report.

### Our Sincere Thanks:

The Sangha takes this opportunity to thank all the donors & members for their support. We look forward to your continued support.

We wish you good Health & Happiness!

**For and on behalf of the Executive Committee,**

**Anand A Naik**
